

JOB DESCRIPTION

INTERIOR DESIGNER

ICON Architectural Group is hiring an experienced Interior Designer for our West Fargo office. This position will work with the design team to develop design solutions for our diverse project portfolio.

Position Accountabilities:

- Participate in conceptual design and provide full support through the entire project
- Perform design and presentation drafting
- Schematic design tasks and design development
- Research and select colors, finishes and materials
- Perform site surveys
- Maintain resource materials
- Work with Project Manager, Architects and consultants
- Develop and represent technical viewpoint on projects
- Participate in design control of projects in the design development, construction document and supervision phases

Requirements:

- Bachelor's degree in Interior Design
- 3+ years of experience
- Ability to work closely with project architects, consultants and owners
- Ability to effectively meet and accommodate deadlines on multiple projects
- Ability to take initiative and work independently
