

Floor to Ceiling Carpet One has a full-time position available in Fargo, ND, for an Interior Designer in Design Studio 360 with experience preferred.

Job purpose

The Interior Designer is responsible for providing design support and consulting on projects for the retail showroom staff as well as their own projects. This position would require developing technical drawings utilizing the 2020 Design software and other various programs to create thoughtful design solutions that meet the needs of the client. As part of the design team, the Interior Designer may also be involved in a collaborative process assisting other designers on order completion and final details. Project scopes may range from small remodel designs, to large, complex residential homes or commercial spaces.

Responsibilities

- Meet with clients to understand their needs and help qualify
- Collaborate with sales team and clients to gather project information and develop creative and functional design solutions for client project goals
- Create thoughtful kitchen and bath designs including specifying cabinetry and interior finish options for presenting to the client
- Produce professional cabinetry drawings, product specifications, 3D renderings, and installation drawings
- Prepare quotes and proposals for clients based off project requirements, aesthetic, and budget
- Assist customers on the retail floor if needed
- Accurately take job site measurements to determine materials needed for installation
- Work as a team to help facilitate jobs from the design development, ordering process and installation
- Manage projects from order process through construction and installation

Skills & Qualifications

- Possess a positive attitude and exceptional customer service
- Strong verbal and written communication skills
- Ability to multitask and manage multiple projects simultaneously
- Able to read and understand construction blueprints and documents
- Work well in a team oriented environment
- High attention to detail; problem solving skills
- Bachelor's degree in interior design preferred
- Proficient in Microsoft Office Suite
- AutoCAD, 2020 Design, Bluebeam, and SketchUp software experience preferred

Compensation & Benefits

- 401k with match
- Paid time off
- Flexible schedule
- Health, Dental, Vision & Life Insurance
- ESOP
- Salary negotiable based on experience
